

Department of Texas Marine Corps League
2025-2026
Director of Public Relations

Department of Texas Public Relations united with the National Marine Corps League Auxiliary at the 2025 National Convention hosted by Texas by bringing awareness to “Operation Little Angel”. The unity was noted by MCLA National to the point Texas Dept. PR was recognized and given appreciation at MCLA Midwinter Conference. We continue to bring awareness to “Operation Little Angels” year-round.

The team continues to grow and consists of writers, photographers, and videographers, and has built a communication network across the country.

1. Relaunched Dept. of Texas Newsletter
 - a. “Boots Across Texas”
 - b. Submit stories and photos
 - i. German Garza
