

Department of Texas Marine Corps League  
2025-2026  
Junior Vice Commandant Report

**Judge Advocate:** June 2024 - January 2026

As the Judge Advocate, I assisted Detachments with questions regarding the Bylaws and Administrative Procedures from the Detachment to Department to National levels.

I signed off on several Detachment Bylaws and Administrative Procedures from newly formed Detachments as well as those established that just needed to align their existing documents to the updated National/Department Bylaws Administrative Procedures.

I appreciate the opportunity to have served the Department of Texas as your Judge Advocate.

**Junior Vice Commandant:** February 2026 - June 2026

After the resignation of the Department Junior Vice Commandant, I was moved into the office of Junior Vice Commandant.

I assisted in answering Detachment questions regarding membership and gaining new members.

I appreciate the opportunity to have served the Department of Texas as your Junior Vice Commandant.

Respectfully Submitted
